
Homesteader 2010–11

Familiar Faces

B. Kelman
Principal

This was a year of new learning for Homesteader staff, students and parents as we began the "Leader in Me" program. Our students and staff learned the importance of "Putting First Things First", "Beginning with the End in Mind" and "Thinking Win-Win". As you can see by the photos in this yearbook, we took time to "Sharpen the Saw" and we deepened our relationships with others by "Seeking to Understand, Then to be Understood". Students and staff quickly learned the benefits of "Being Proactive" and "Synergizing" too! Thanks for a great year of growing and learning together!
